

Consent

to the use of photos on the website

I hereby give consent to The Danish Shipowners' Accident Insurance Association (UFDS) to apply information of name and photo with the purpose of showing my data on the website.

The consent can be withdrawn at any given time. Withdrawal of consent takes effect from the time it reaches UFDS and does not affect the processing of personal data that has already been carried out. Therefore, the withdrawal of your consent does not apply to photos or video recordings of you in your work function which would be disproportionately difficult to delete.

The consent can be withdrawn at any given time by contacting UFDS by telephone [+45 3313 6888](tel:+4533136888) or via email ufds@ufds.dk.
